March Recap

Bitcoin Forum

We had three outstanding speakers share their expertise over Bitcoin and Crypto this past month. They started the luncheon with sharing how Bitcoin came about, then went into the history over the last 40 years & ended it with how truly secure and the way of the future that it is.

Olatec

We had the special opportunity to showcase of our Symphony members clients for an investment opportunity in the medical field. They are sweeping the floors with their success in their anti-inflammatory drug. It was an outstanding event with lots of interested in continuing partnerships with Olatec.

Happy Hour

Our monthly happy hours are getting bigger and bigger and it's the best problem to have! We have recently pivoted to the "upper" level in the Harpeth lounge area that allows our guests to mingle more efficiently and network with a greater amount of people!

Symphony Adventures

We had the ultimate kick off to our Symphony Adventures last month when 13 guys headed to the Smoky Mountains for a transformative experience! It was above and beyond everyone's expectations and truly an enriching and powerful weekend.

They spent 4 days in a stunning cabin on top of the mountain, drinking fine spirits, eating good food, smoking countless cigars, and building relationships and growing within their souls.

Please lookout for our next Symphony Adventure as it'll change your life!

Symphony Forum

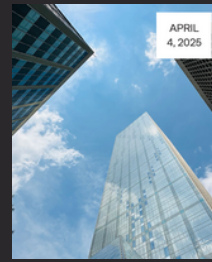

Please join us on April 22nd for our next Symphony Forum when our guest speakers, Patrick Holcombe, Jake Smith and Dan Banks offer their expertise with faith in the work space. This can't miss luncheon will be held from 11:30-1:00 at Vaco in Brentwood!
