### Member Achievement

I have been a residential mortgage lender for over 22 years now. Less than 2 years ago I picked everything up to relocate my family to middle TN to start over with better schools for my 3 boys and better medical care at Vanderbilt for my son with significant special needs.

Inside of 24 months in a brand-new market, I am pleased to say that I've been ranked the #1 Loan Officer in Franklin! Obtaining a home mortgage requires trust in that individual who is providing that service to you/your family. My business has been built on 3 things: Honesty. Integrity. Trust. While many will lead you to believe obtaining a mortgage is like buying a widget off a shelf, we create a calm and a peace-of-mind to one of the top 5 most stressful events in life - buying a home. If you happen to be an entrepreneur with complicated tax returns: add another layer of stress. If you are relocating - add another layer of stress. I would love to show you how we are different. We want to ease that stress. Give The Williams Group at Fairway Home Mortgage a shot - you'll be glad you did!
